

# Western Students **Thank You**

## **Kaela Scott**

Jonathan & Joshua Memorial Graduate Travel Scholarship Recipient for 2019-20

Dear Donor,

I am writing to thank you for your generous support through the Jonathan & Joshua Memorial Graduate Travel Scholarship. I am very happy and appreciative to receive this scholarship.

I am a doctoral candidate in neuroscience, with an emphasis in sensory processing in autism spectrum disorder (ASD). I plan to pursue a career in academia with a focus on improving our understanding of how the brain handles the information we receive from the world around us, and how this process is different in ASD.

Being able to share my research interests with the community at large is an interest I carry outside of my day-to-day research. The Jonathan & Joshua Memorial Graduate Travel Scholarship allowed me to travel internationally to present my work.

Your generosity has enabled me to help others and give back to the community. I hope one day I will be able to help students achieve their research goals, just as you have helped me.

Sincerely,

Kaela Scott  
Ph.D. Candidate in Neuroscience
